Group Directory

FAQs

How do I use this Group Directory?

Select a group(s) that you are considering joining and contact the Group Host using the information provided.

What is a Connect Group?

A Connect Group is a group of 6 to 15 people meeting weekly to grow in getting closer to God.

What is a HOST?

A Group Host is not a bible expert or church leader. They are normal people willing to open their home and grow with you.

I'm new to Emmanuel, what's the best group for me to start with?

You can select a group by location, by the day which it meets or based on the curriculum they will be studying. You can contact the host to get more information about the group.

Do groups provide childcare?

Some groups are labeled "child friendly", which means that children are welcome to attend the group.

Will I have to pray in front of people?

No one is singled out to do anything in front of the group. All participation is determined by the individual.

How long does a group last?

Groups last about 90 minutes to 2 hours. All our time is precious, so group hosts begin and end on time.

Should I bring a Bible?

Yes! If you do not have a Bible, Emmanuel will provide you one at the altar.

Did Jesus have a Connect Group?

Yes! Luke 6:13 says, "Jesus called his disciples to Himself and from them he chose twelve."
